

# HOLIDAY ENGAGEMENT 2024-25

Dear Students,

As the warm embrace of summer envelops us, let us pause and reflect upon the words of Helen Keller: "Life is either a daring adventure or nothing at all." Indeed, if life were devoid of challenges and uncertainties, it would lose its essence, its purpose, much like a ship adrift in calm waters. The balmy months of May and June offer us an opportunity for self-reflection, a time to rejuvenate our spirits and nourish our minds. Amidst the tranquil respite, we find opportunities for familial bonds to flourish, for ventures into unexplored realms, for passions to be pursued and dreams to be realized. It is said that an umbrella, a book, and the mind only serve their purpose when open! Let us heed these words and embrace the boundless possibilities that lie before us. Let our minds unfurl like the petals of a blooming flower, eager to absorb the wisdom and experiences that await us in the coming days. The Summer Holiday Engagement of 2024 beckons with a unique purpose—a purpose to embark on a journey to elevate Social Emotional and Experiential Learning, as well as foster Financial Literacy! Let us immerse ourselves in delightful and enlightening endeavors to equip our youngsters with invaluable financial acumen and nurture empathy. Each challenge, each endeavor, will be a stepping stone towards personal growth and enlightenment.

As we engage ourselves in these activities, let us not forget the joy of learning, the thrill of exploration, and the warmth of companionship. Let us involve our families, for in their support and guidance, we find strength and inspiration. I hold in high regard the creativity and individual strengths of each and every one of you. Your efforts, your contributions, are invaluable in shaping our collective journey.

Hope this Goenkan initiative of the Summer Holiday Engagement 2024-25 is a testament to our capacity for growth and is replete with learning and laughter. Let us redefine who we are and embrace the spirit of collaboration, innovation, and compassion.

**Dear Students!**

**As summer draws near, let's take a moment to marvel at something truly amazing:  
Our Incredible Planet Earth.**

**It's not just a place we call home; it's a precious gift, bursting with life, wonder, and beauty. But like any gift, it needs our love and care to thrive.**

**You might have heard about climate change—it sounds kinda big and scary, right? But really, it's just about our actions affecting the delicate balance of nature.**

**Picture a world where the air is pure, rivers sparkle with life, and forests sway in a gentle breeze. That's the world we dream of—a place where all creatures, big and small, live together in harmony.**

**But to make this dream real, we all need to chip in. It's about the little things, like turning off lights, using less plastic, or planting seeds that'll grow into mighty trees.**

**Together, we've got the power to make a change. Let's dive into this adventure, hand in hand, with hearts full of hope. Because the future of our planet lies in our hands, guided by the love in our hearts.**

**So, my dear Green Goenkan Warriors, let's treat our Earth with kindness and care. Together, we can be the heroes our planet needs, protecting its beauty and securing its future.**

**Every little step we take makes a big difference!**

Colours play a vital role in our lives and how we respond to our surroundings. The colours you surround yourself with can influence your perspective and emotions, as well as those around you.

Fill the colours in Rainbow to make it beautiful as you are.

Fill the clouds by dabbing the black colour using cotton balls. Then make stars with white colour by using ear buds.

Let's make a beautiful night cloud.

## HOLIDAYS SAVINGS AND GIVING

Encourage students to save a small amount of money over the holidays, either from their allowances or by completing small tasks at home, and record their savings in a journal and donate the money for some good purpose.

The "Holiday Savings and Giving Project" encourages students to save a small portion of their holiday allowance or earnings from completing tasks at home. By recording their savings in a journal, students not only learn the value of saving but also experience the joy of giving back. At the end of the holiday season, students donate their saved money to a meaningful cause, promoting empathy and generosity within the community. This project instills valuable life skills and fosters a sense of social responsibility among students, making their holiday season more meaningful and impactful.
